

Welcome to Evermore Events, our passion lies in creating unforgettable memories. We are located in Lancaster City just minutes away from downtown Lancaster. Our venue boasts an elegant industrial modern design with exposed brick walls, hardwood floors, exposed beams and beautiful modern lighting ideal for weddings or an array of events including conferences, holiday parties, birthday celebrations, quinceañeros, anniversaries, class reunions or any other event or gathering that you would like to celebrate.

Inspired by our own journey, we understand the importance of a beautiful experience without compromising affordability. Having celebrated our love with a modest ceremony, we envisioned a space where others could celebrate the magic of their special day affordably.

With convenient on site parking, Evermore Events can host events of up to 130 guests, ensuring every occasion feels intimate yet grand. With a commitment to creating enchanting experiences, let us be the canvas for your unforgettable memories.
